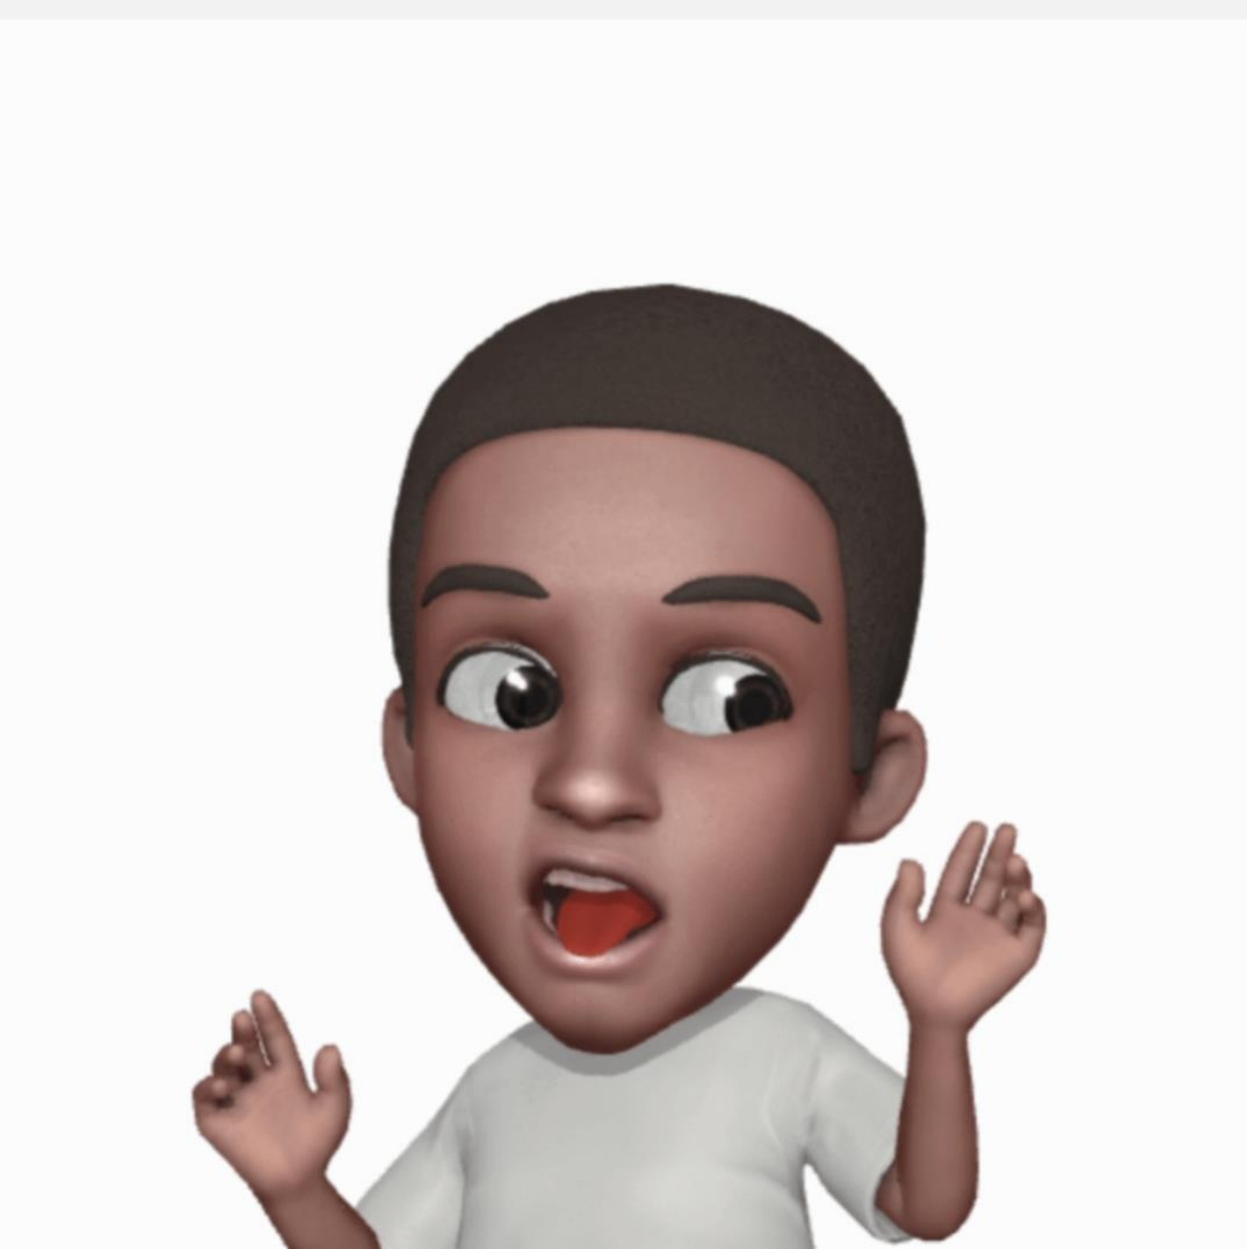
MY 1ST PAIR OF GLASSES

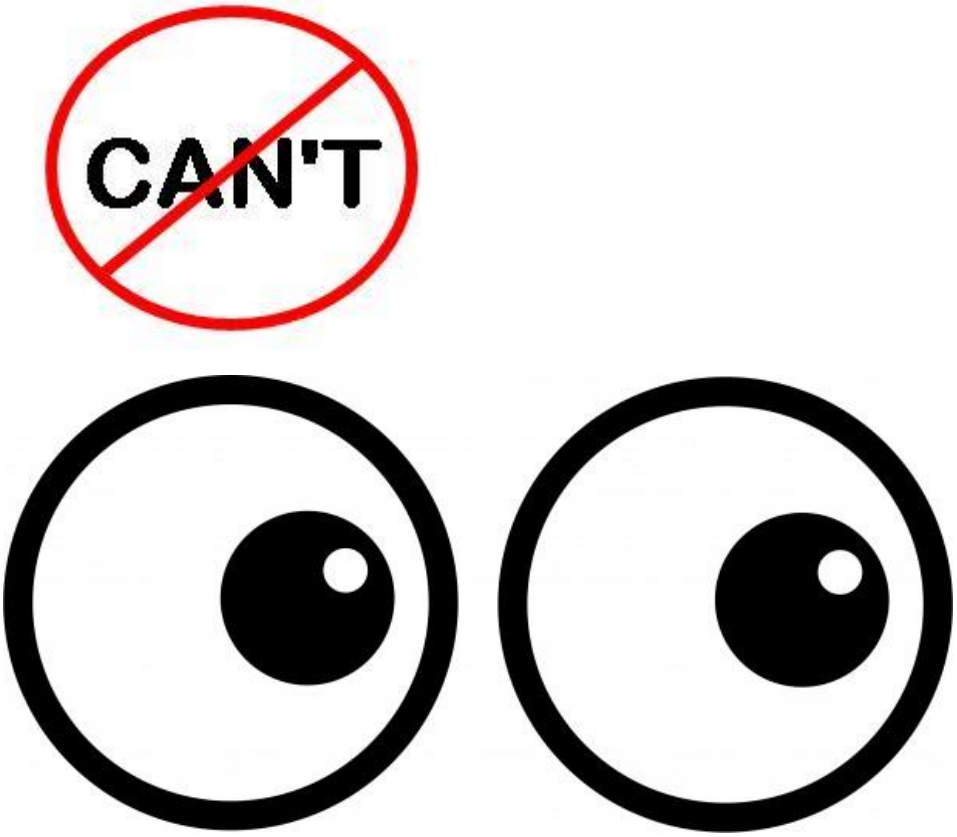
By Auvares Lee

TODAY WAS A VERY BIG DAY!!!

Today was the day that I get my new glasses.



I had been having problems seeing things.

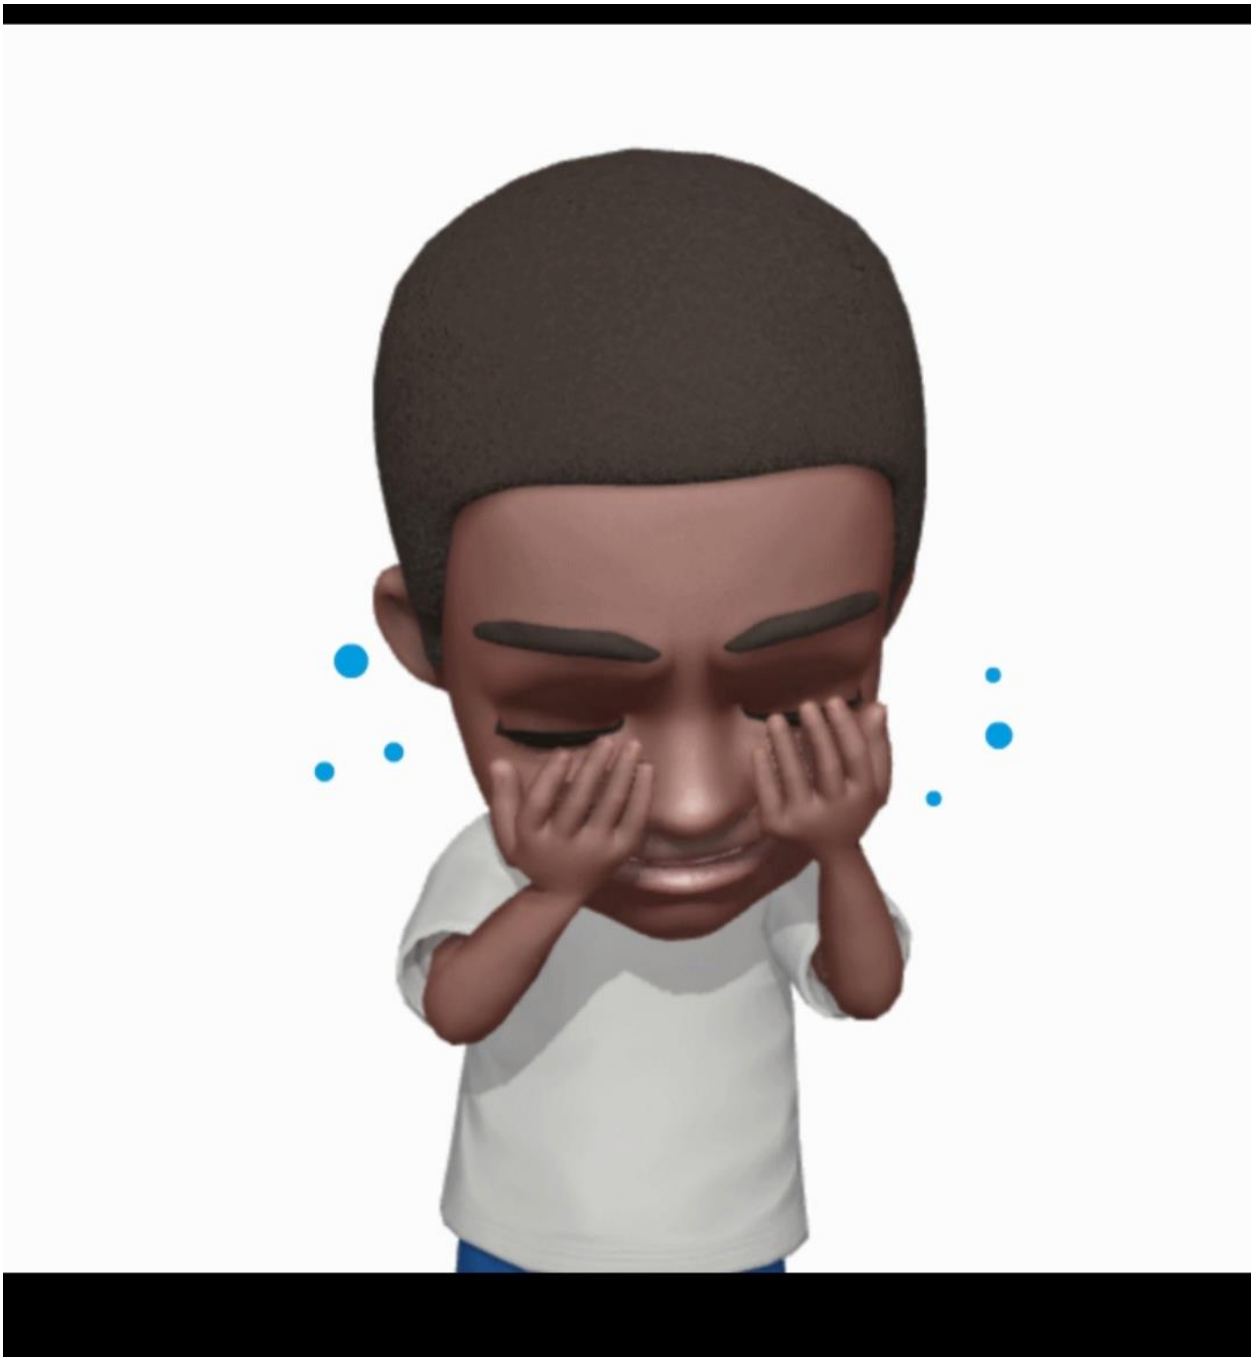


I kept bumping into things

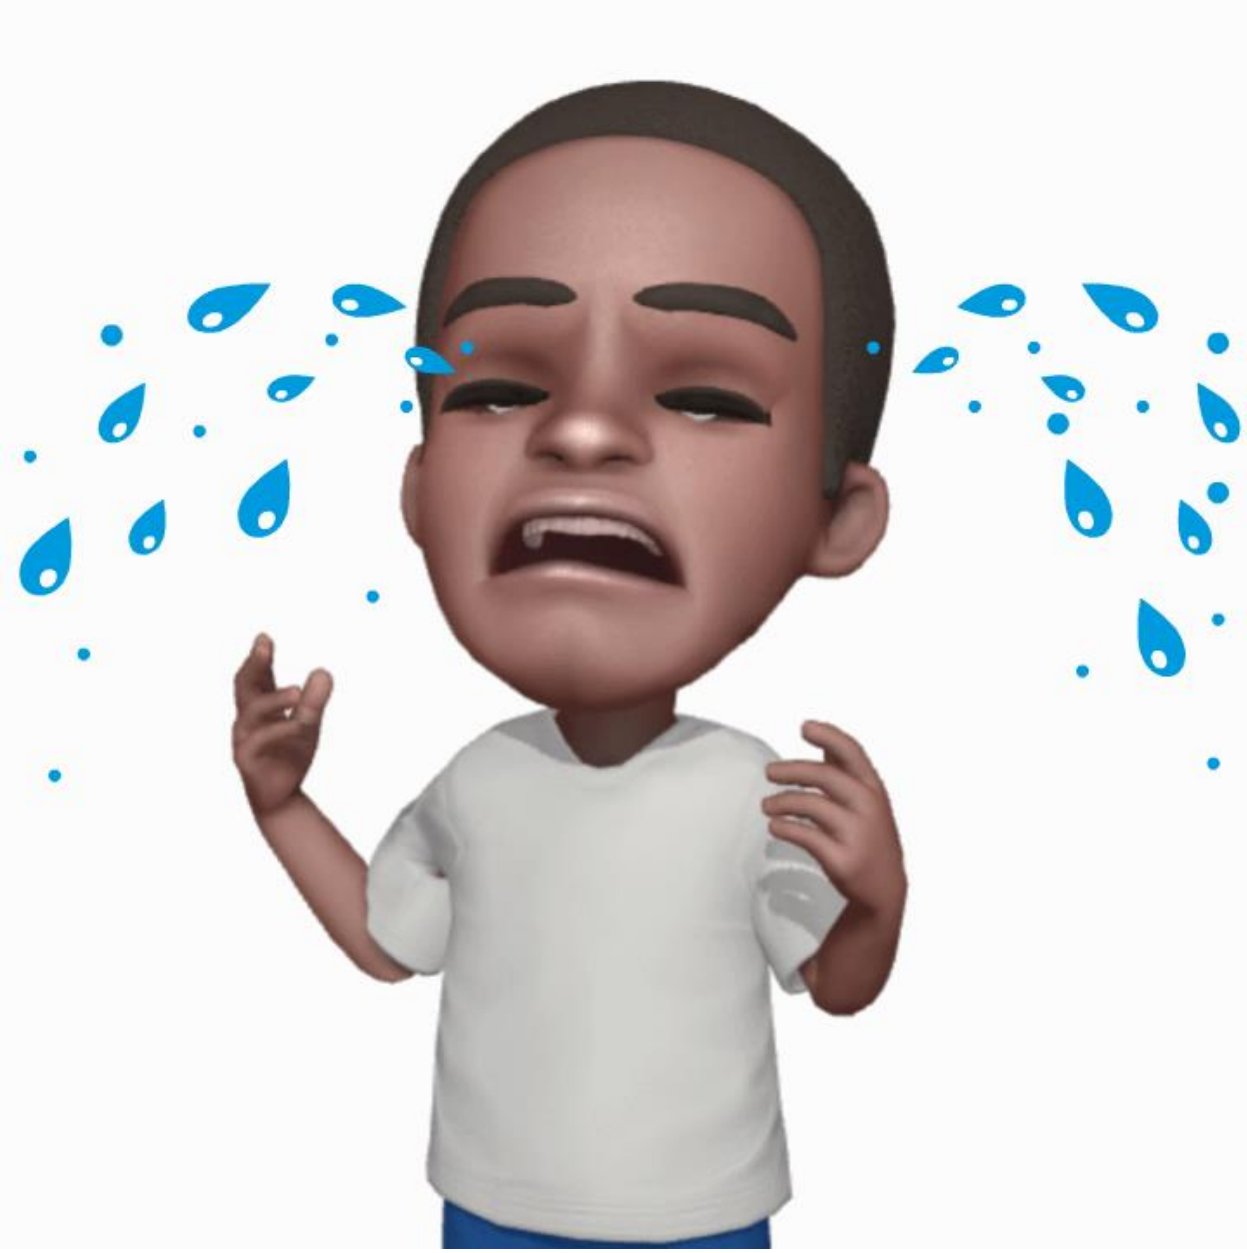
And everything was just so fuzzy to me.

So my mom took me to the Eye Dr, and that's when I found out that I needed glasses.

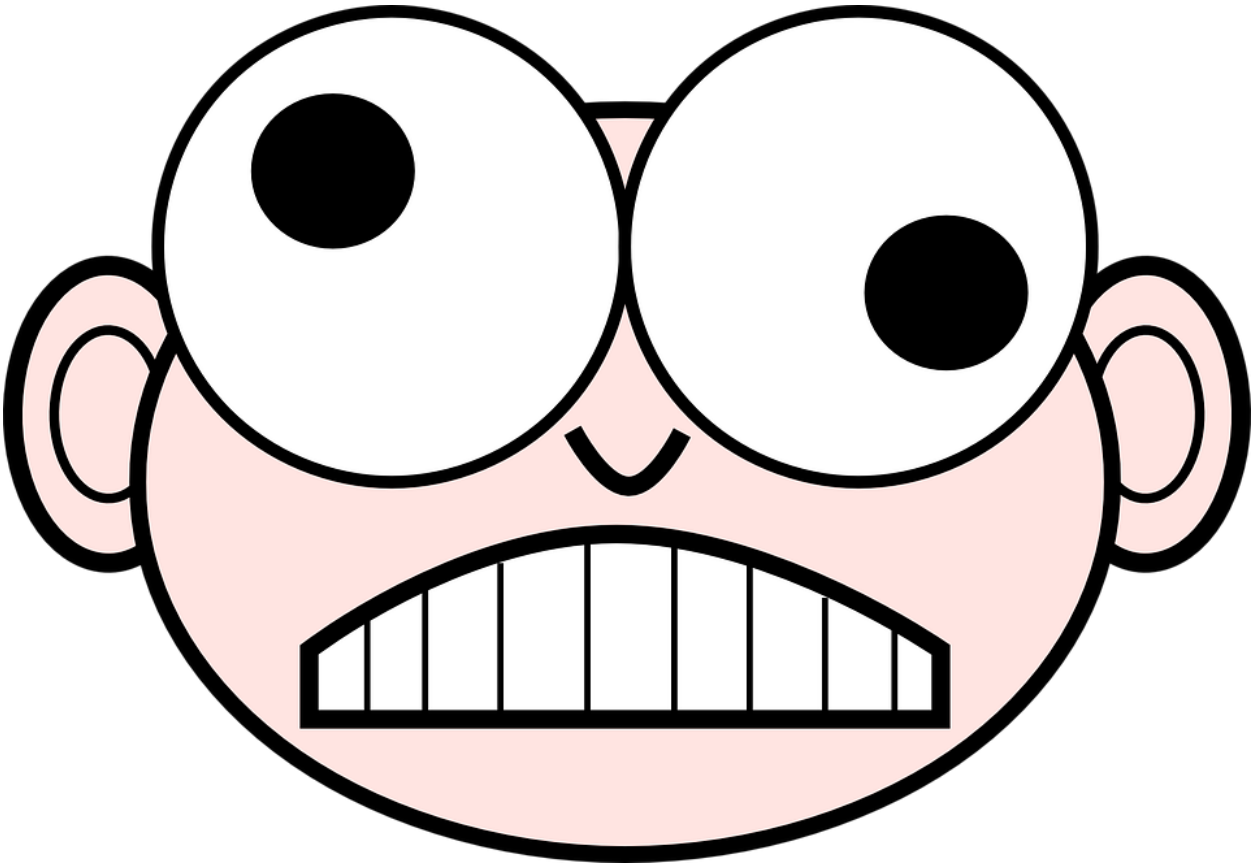
When the Dr checked my eyes, she put some eye drops in my eyes.



I didn't like that part.



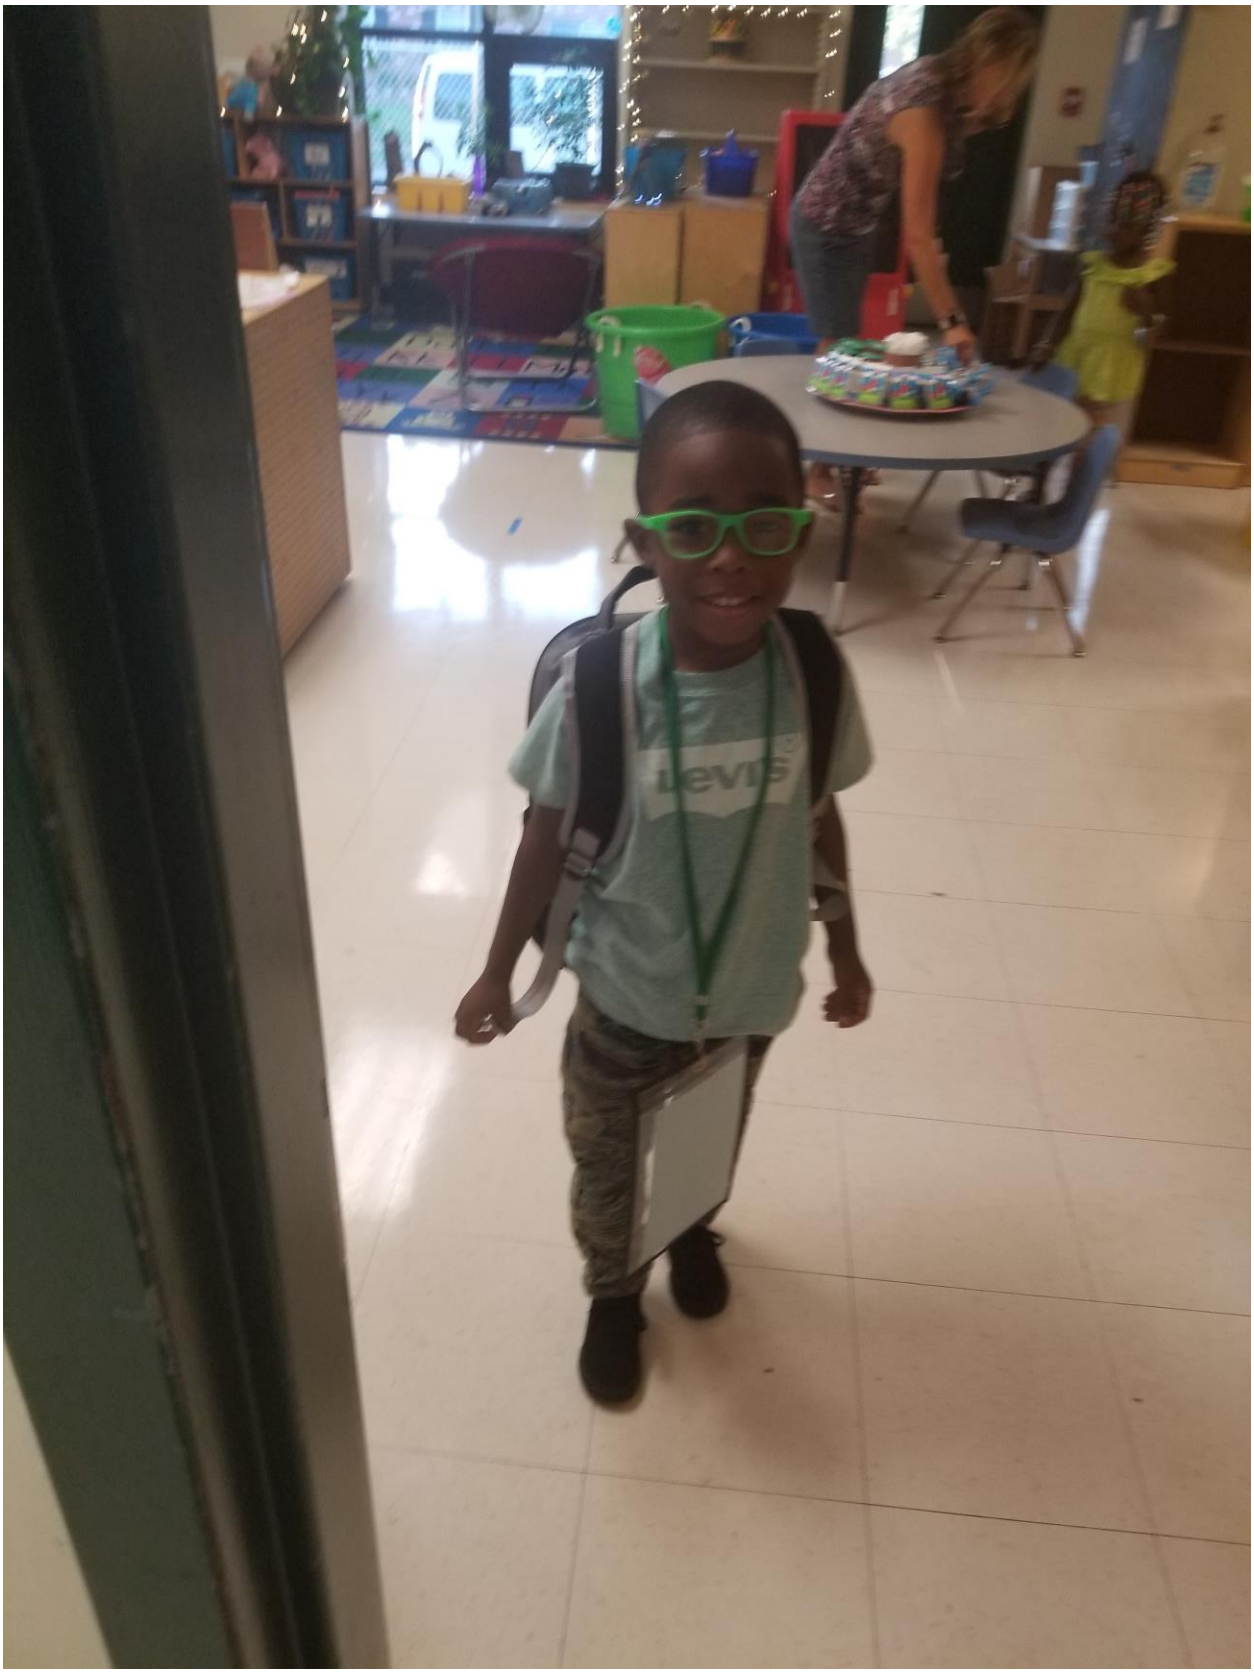
It made my eyes feel funny.



I couldn't see a thing! I felt like a Zombie.

But once I got my glasses

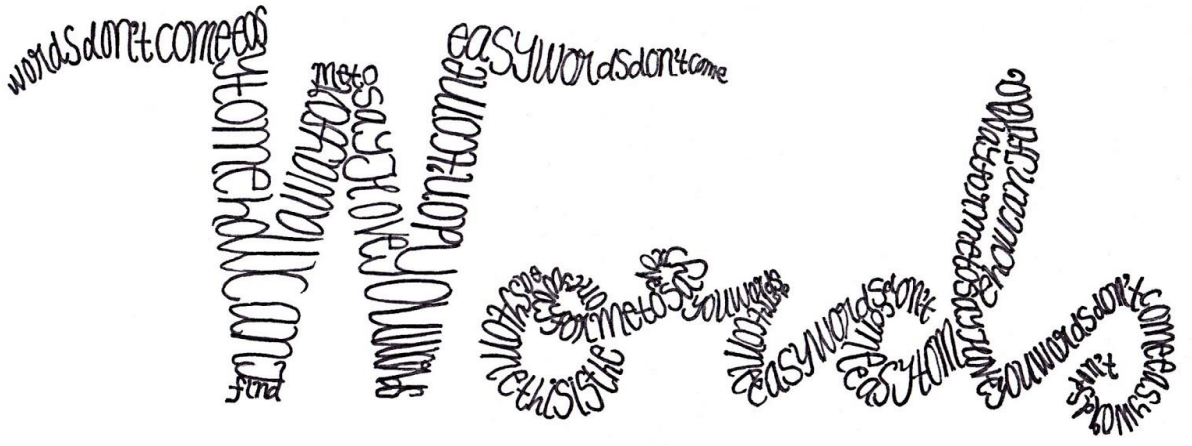
And I put it on; I could see sooo much better.



I went to school and I felt invincible.

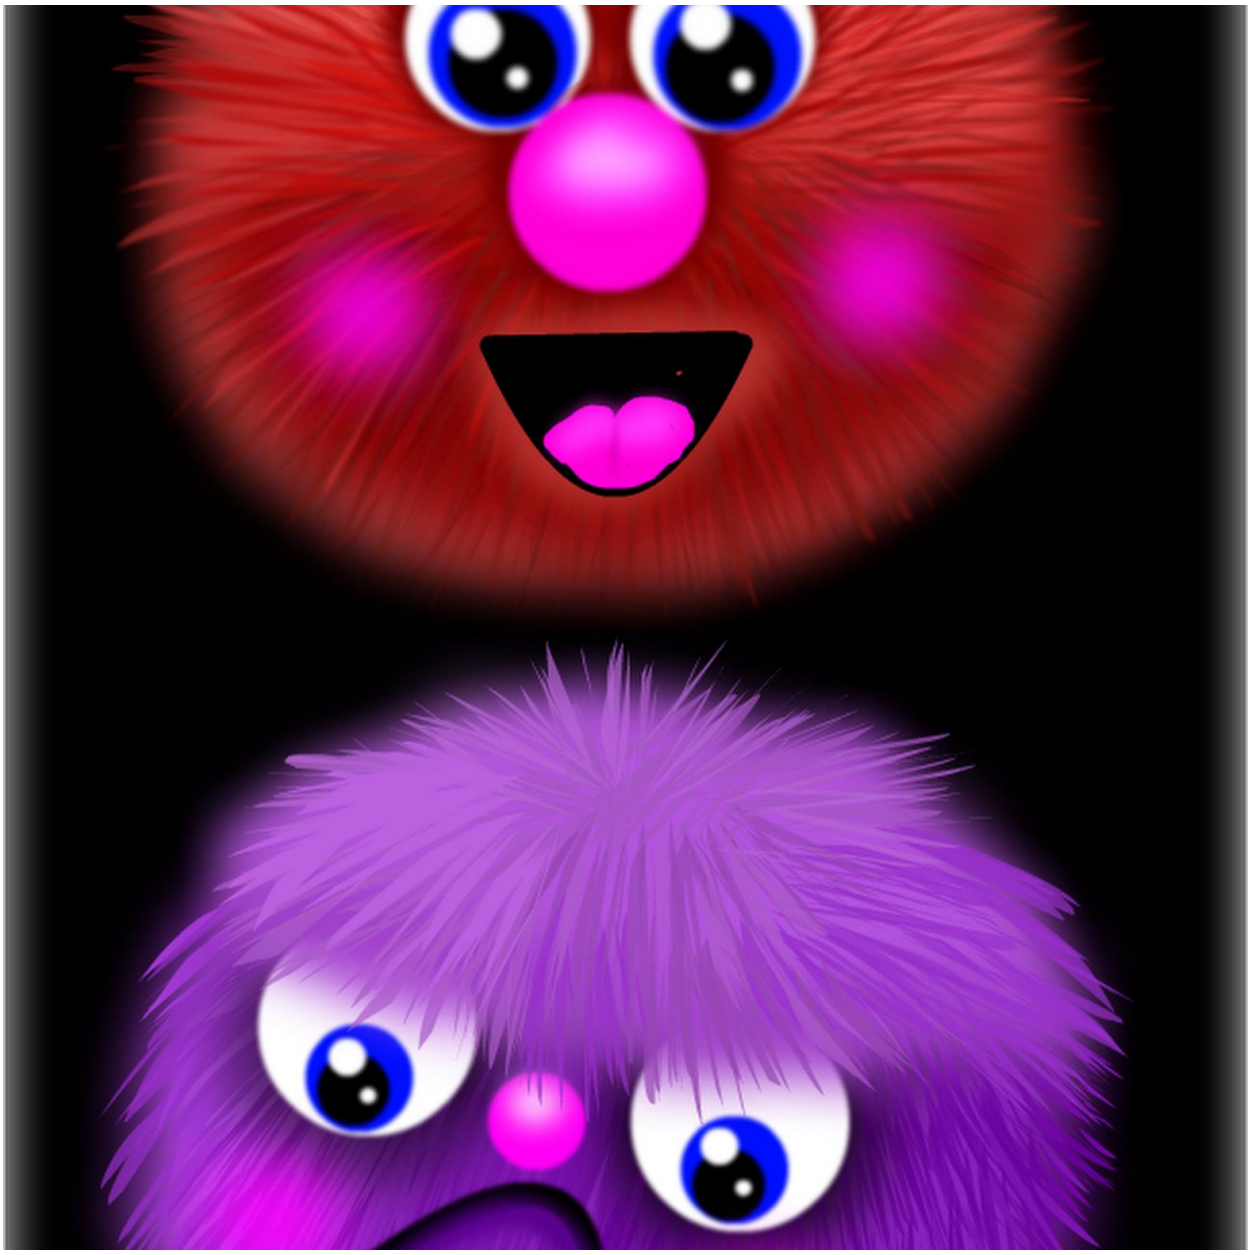
I felt like I could do anything.

I could see words more clearer.

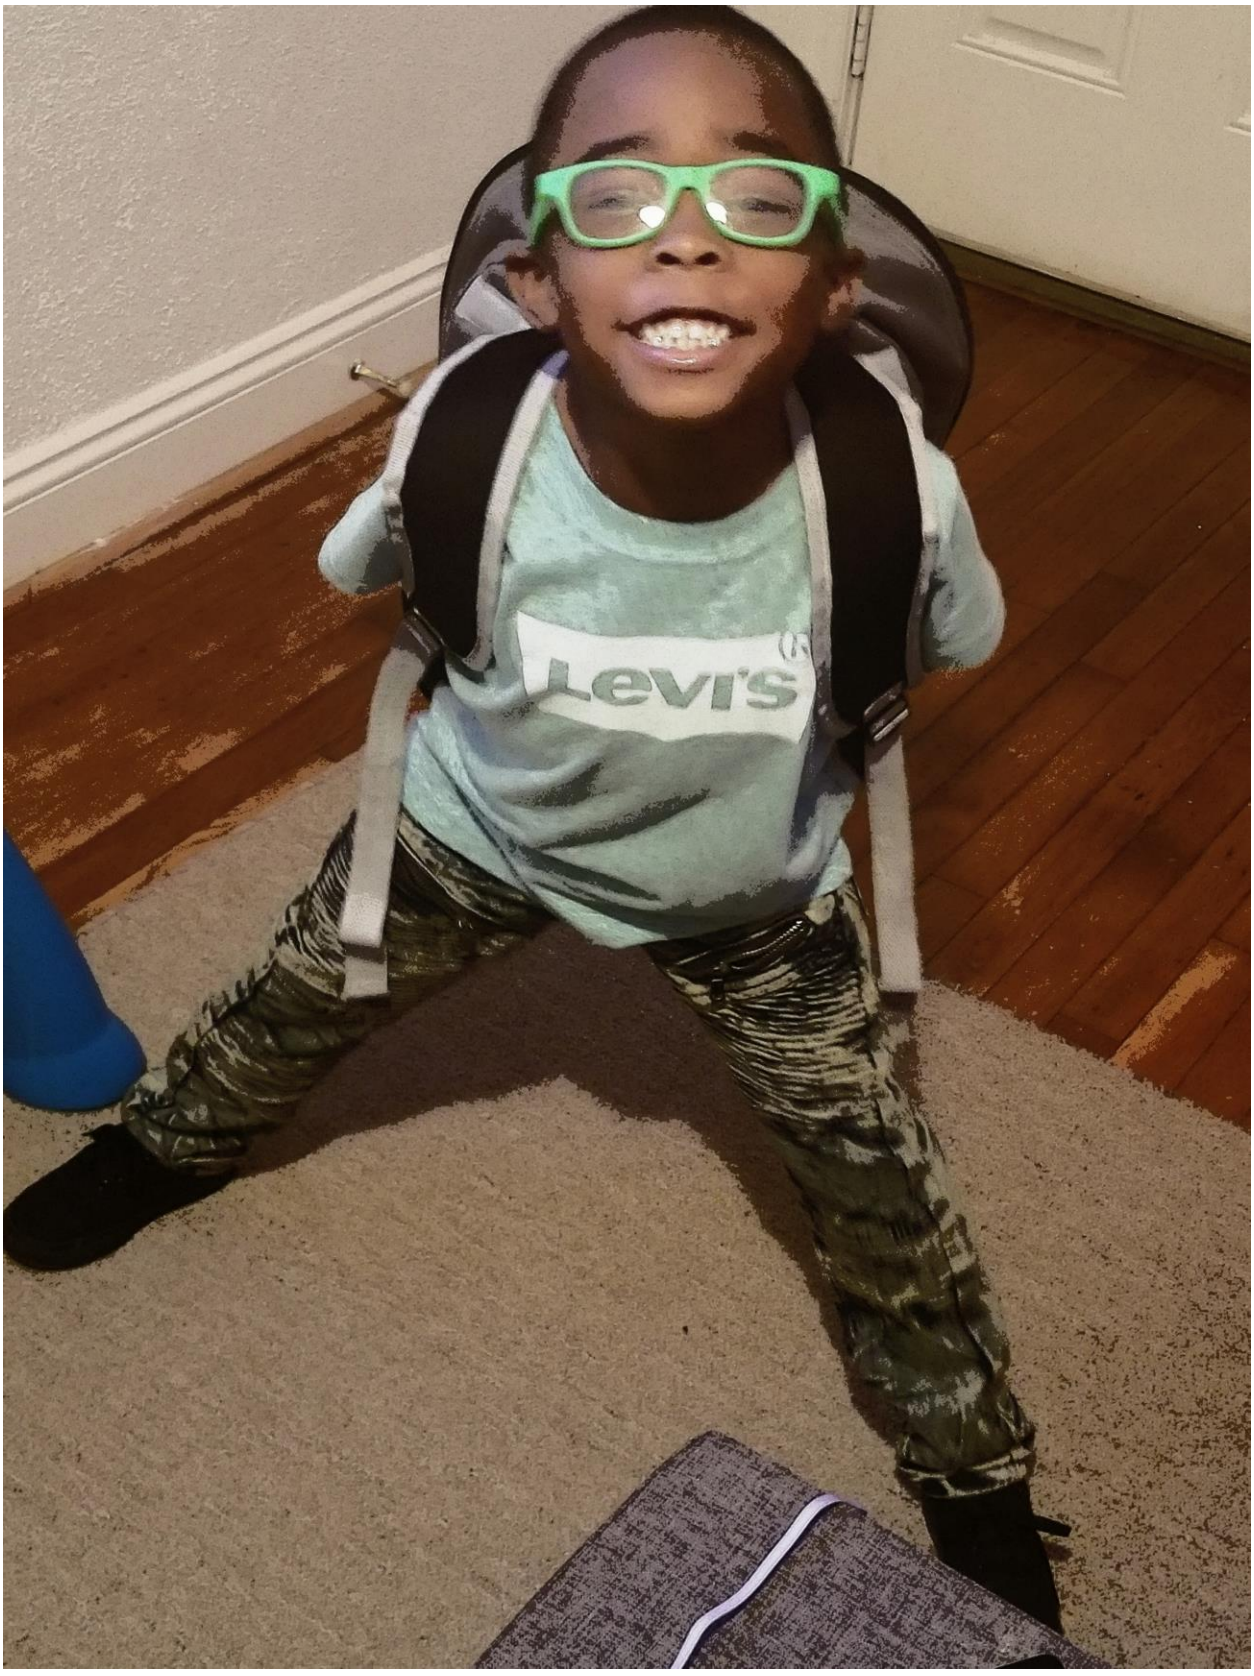


words don't come easy
easy words don't come
easy words don't come
easy words don't come

And no more fuzz.



They were my favorite color too;



Levi's

Green like the Hulk.
